

CODE OF CONDUCT

1. Do not trespass.
2. We recommend you obtain a signed Search Agreement from the landowner when searching privately.
3. Never take a Metal Detector near Scheduled Monuments or Sites of Special Scientific Interest.
4. Report all finds to the Club on Club Dig Days.
5. Close all gates behind you.
6. Do not frighten animals or disturb nesting birds. Do not damage trees, fences or wild flowers.
7. Report any dead, injured or escaped animals to the farmer/landowner immediately.
8. Leave the land as you found it. Fill all holes carefully, leaving little or no trace of your dig.
9. Remove all litter and trash finds from the land and dispose of it properly.
10. Report all finds suspected of being over 300 years old to the PAS.
11. Report live ammunition or human remains to the Police and landowner immediately. Mark it or fence it off, do not disturb the area.
12. Be an ambassador to our hobby.
